PREFACE

The Statistical Handbook of Nagaland is an annual publication of the Directorate of Economics & Statistics. The present publication pertains to the year 2020 and contains useful socio-economic information and State's time series data for recent years.

Statistics has been playing an important role in shaping humanity. Since the flow of information is ever increasing across the globe, the Directorate of Economics & Statistics is garnering all efforts to improve the quality of input information for effective policy and decision-making. It is hoped that this publication will serve as a useful reference to administrators, planners, research scholars and others.

I acknowledge the co-operation extended by various departments and stakeholders in providing the required data. I also appreciate the sincere efforts rendered by Handbook section in the preparation and publication of this edition.

I hope that users shall continue to provide valuable feedback and suggestion for improvement of the publication in the upcoming version.
